Character Office Suites To Let

Carefully refurbished to ensure the unique architectural features have been preserved and celebrated.

The Fairbairn Building extends to approximately 17,317 sq ft arranged over lower ground and five upper floors. The building provides self-contained floors ranging from 2,155 sq ft to 3,246 sq ft.

The building is accessed via an impressive double height reception area providing lift access to all floors. Each floor benefits from a dedicated entrance accessed from the main core together with self-contained WC's and kitchen area.

The space has been carefully refurbished to ensure the unique architectural features have been preserved and celebrated. By doing so the Fairbairn Building is able to provide occupiers with high quality, characterful office space.

Unique space

In a prominent position overlooking Vimto Park.

Fairbairn Building is situated in a prominent position on Sackville Street overlooking Vimto Park. Sackville Street and the immediate surrounds form part of Manchester's Knowledge Quarter given its proximity to the Manchester Universities campus. The Knowledge Quarter and southern fringe of the city centre is considered one of the most vibrant areas where residents and workers can benefit from a wide range of cafes, bars, restaurants, shopping and leisure facilities.

In recent times the high quality location and unique office space has attracted a number of high profile occupiers to the area, including; Havas Lynx, Patagonia and Vans.

The place to be

Fairbairn Building is located close to Sackville Street / Whitworth Street junction. Piccadilly railway station is within a short walk to the building which in turn provides links to London, Leeds and many other major UK destinations. Piccadilly Gardens, Chorlton Street Bus Terminal and Oxford Road railway station are all within an easy walk.
